Subject: meeting request

Dear Ms. Bidwell,

I am the new Upper Animas Community Involvement Coordinator for the Environmental Protection Agency. Paula Schmittdiel, the Upper Animas Remedial Program Manager, and I are meeting with folks in Silverton to learn more about the community and its concerns related to water quality and the environment. Several people have told us that you, as executive director of the Mountain Studies Institute, would be a great person for us contact for some of that information.

We will be in the area next week and would like to talk with you if you are available Monday afternoon, July 21 (after 2:00 pm) or Thursday afternoon, July 24, for a short meeting in Durango.

Please let me know if you are available either of those dates, and we can set up a time to meet.

Best regards,
Cynthia Peterson
